GoClixy Business Directory Script is a responsive, SEO optimized and feature rich script for creating online yellow page websites. The application is built using PHP and MySQL. Moreover, it is easy to use and will mazimize your advertising revenue.

If you are looking for a directory solution company who cares about your business choose GoClixy. Our quality has been ensured by many customers. We are here for you 7 days a week, 24 hours a day.

We are committed to quality. We do not settle for anything but the best. We have worked hard to find the best ways to provide our customers with the best business directory software that is affordable without sacrificing the quality of our services.

Because we are a small company, we are also responsive, flexible and agile. We adapt as your needs change with the speed, efficiency and cost-effectiveness that large companies simply cannot match.
